Author plans to lose £1m on wealth book

Monday, September 7, 2009

A property tycoon is giving away £1million of his personal fortune to ten readers of his new book.

While some cynics could dismiss the move as a clever marketing stunt, Ben Benson insists he just wants to help people get rich and achieve their dreams.

'Ten people are going to get that money, irrespective of how many copies of the book we sell,' the 34-year-old said.
